Je vais – I go

Tu vas – You go

Il va – He goes

Elle va – She goes

Nous allons – We go

Vous allez – You people go

Ils vont – They males go

Elles vont – They female go

The verb ALLER is another fully irregular verb in French. The other ones that you already know are the verbs ETRE, AVOIR and FAIRE (to be, to have and to do). And even if it ends with –er, it is not a first group verb.

In French, when you are going to a location, the suffix “a” is added after the verb ALLER in order to show the direction, it is equivalent to the “to” in the sentence “I go to Ratu Navula” (in French, it’s “Je vais a Ratu Navula”)
